

## Business Project Manager to FIH Partners

*Would you thrive in a collaborative and dynamic environment, with responsibility for multiple and versatile tasks with the opportunity to impact Denmark's leading M&A advisor? Are you proactive, structured and service-minded? Then you might get the unique opportunity to join FIH Partners as Business Project Manager.*

On behalf of our client, FIH Partners, we are seeking to hire their new Business Project Manager who will undertake an important role in driving FIH Partners' strategy, CRM, and employer branding efforts in close collaboration with the partners. The candidate must exercise excellent business understanding, have exceptional coordinative skills, demonstrate professionalism and be able to independently drive multiple projects.

### **The tasks will include, but are not limited to:**

- Supporting strategy development and implementation
- Optimizing and developing the CRM system and internal application hereof (DealCloud)
- Coordinating employer branding events with e.g. CBS, FACCA, Kvinder i Finans and Financelab
- Supporting HR in recruitment and onboarding of employees
- Planning and hosting internal training events
- Preparing internal partner meetings and all staff presentations

### **Your profile:**

Ideally, you have a minimum of 4 years' experience from a similar position with a Danish or international organization. We further believe that professionals with the following skills and experience are well-suited:

- Experience in managing tasks and projects with a high demand for proactivity, structure, quality, and stakeholder involvement
- Experience with or interest in driving development and use of CRM systems
- Experience with or interest in supporting employer branding, HR and recruitment efforts
- Experience in performing analyses and preparing reports and materials using PowerPoint, and Excel, and other similar software
- Experience providing close support to senior leaders
- Comfortable taking ownership for tasks, being reliable and ambitious
- Strong interpersonal organizational communication and problem-solving skills
- Strict attention to detail with ability to prioritize issues appropriately
- Detail-oriented and able to multitask in a fast-paced environment
- A relevant bachelor's or master's degree
- Professional verbal and written English and Danish
- either 30 or 37 hours per week.

**You will be offered:**

A position in FIH Partners will offer you a challenging and versatile job with a steep learning curve, enabling your development of professional and personal competences. The work environment is collaborative, friendly, dynamic and focused on high quality in all respects. Furthermore, you will have the opportunity to work either 30 or 37 hours per week.

**About FIH Partners:**

With a track-record of +250 completed M&A transactions with a combined value of EUR + 100bn and being ranked the number 1 corporate finance advisor for six consecutive years by Prospera, FIH Partners is the leading Danish M&A advisor. FIH Partners provides independent value-adding financial advisory services to a large and mid-size corporations, private equity and government institutions as part of divestments, mergers, acquisitions, IPOs and other equity and debt capital market matters. With their strategic advisory approach and relentless commitment to success, FIH Partners is the preferred alternative to global investment banks in the Danish market. FIH Partners is also the global leader in renewable energy transactions. Being 100% employee-owned and solely focused on advisory services, they think, and act independently and continuously aspire to be the trusted financial advisor to their clients.
